PLEASE READ:

Yes, our Wednesday Dress Rehearsal will be a long, late night. Please understand that we have 11 seniors this year and many of them graduate from highschool on Thursday, June 8th. To accommodate all of them, the classes they teach and take, as well as their siblings, Wednesday, June 7th will be an action packed drress rehearsal night. Please help us run a smooth, calm night by being ready on time, be patient as you wait and flexible if/when we run slightly behind schedule. We appreciate your help and understanding. If you can stay till the end of the ballet for the final bows, great! If not, we understand! Thank you!
